

*REMARKS*

In response to the Office Action mailed April 7, 2004, finally rejecting claims 1, 2, and 5-14, for obviousness-type double patenting over U.S. Patent No. 6,699,122, Applicant submits a Terminal Disclaimer. The Terminal Disclaimer overcomes the rejection, placing this application in form for allowance.

A Revocation and Grant of a Power of Attorney in this patent application, changing the attorneys authorized to act and changing the correspondence address was filed July 2, 2004.

Prompt allowance of this patent application is earnestly solicited.

Respectfully submitted,
